And finally...

Terence Cuneo's oil painting "Giants Refreshed" hangs proudly in Doncaster Museum and Art Gallery and depicts two LNER trains inside the Doncaster Works. Cuneo painted a tiny mouse in many of his paintings, but as "Giants Refreshed" is one of his earlier works, there is no mouse to look for.

So, we've carefully hidden a little mouse on one of the pages within this guide. There's no prize for finding him, but we hope it gives you a little fun as you discover more about Doncaster while reading this Visitor Guide.

If you want to tell us you've found him, we'd be glad to hear from you. And if you can't find him, call us on 01302 734309 and we'll be only too pleased to tell you where he is!

Good luck, and we hope to see you in Doncaster soon!

Every effort has been made to ensure that the information in this Visitor Guide was correct at the time of going to print. However, it is important that you contact accommodation providers or attractions to confirm details.
